LOCATION

Based in Newberg, Oregon at their REX HILL property, 40 minutes from Portland at the North end of the Willamette Valley.

MISSION

To create and offer the highest quality wine for the greatest sustainable value while building a company that combines commerce with conscience.

EXPERIENCE

A to Z has more collective Oregon winemaking experience than any other winery, experience that can make a difference in difficult vintages.

A TO Z PINOT NOIR

A single cuvée is blended for complexity from 50-70 different vineyards across Oregon. Approximately 100 different fermentations contribute.

A TO Z CHARDONNAY

A to Z Chardonnay is fermented and aged in stainless steel of varying sizes to maintain brightness and showcase the delicate nuances of the variety. Malolactic fermentation is intentionally blocked to retain freshness and purity of fruit.

A TO Z PINOT GRIS

Fruit from 30 different Oregon vineyards offers a “full orchestra” of Pinot Gris flavors for this cuvée. Individual components are fermented separately to enhance complexity and to highlight particular attributes for aromatics, flavors or textural qualities depending on the vineyard. Malolactic fermentation is intentionally blocked to retain freshness and purity of fruit.

A TO Z ROSÉ BUBBLES

Refreshing and fun, made with 90% Pinot Noir and 10% Chardonnay for texture.
